

Moss Neck Aggregate Plant

19198 Tidewater Trail
Woodford, VA 22580

Products:

- C-33 concrete sand
- Pea gravel
- 3/4 gravel
- 2 inch gravel
- Tailings

Sitting right on route 17 just outside of Fredericksburg, Moss Neck is a state of the art plant that can produce over half a million tons of aggregate per year. With over 500 minable acres, you can count on Chaney to keep producing what you need, when you need it, year after year, after year. Four grades of highly tested, in spec sand and washed gravel are ready right now. Call for delivery or stop in and pick it up today.
