

What: Boots and Hardhats Rally to Capitol Hill

Hop the bus with Chaney Enterprises and join us with NRMCA, NSSGA, and other organizations to tell Congress what members of our industry have endured in the Great Recession. We want “Boots and Hardhats” in force to show our solidarity among customers and employees to Congressional leaders.

Why: Bring our leaders your stories of hardship, including layoffs, cut hours and how many of us in our business were left without an opportunity to tap into the Stimulus funding.

When: Wednesday May 25, 2011 - 11:00 am (bus departs at 9:15 am)

Where: East Seaton Park across from the Capitol Reflecting Pool at 3rd St. NW
