Mr. Vilece,

On August 17, 2021, I received the AST registration form 7540-AST dated August 17, 2021 for the subject facility. The facility ID number assigned is **3012533**. Based on this registration, our tank registration records have been updated.

FYI the owner or a duly authorized representative of the facility or AST shall renew the registration every five years or whenever title to the facility or AST is transferred (change of ownership), whichever occurs first.

Please contact me if you have any questions.

Thanks!
Riaz
