Mr Blalock,

I am writing to inform you that we are planning to relocate a portable concrete batch plant to Norfolk, VA.

- a. Registration Number: 52904
- b. Date of the permit: 7/1/19
- c. Estimated relocation and start-up of facility: August 2022 / September 2022
- d. The plant will be at the new site for a minimum of 5 years.
- e. New Location: 602 Ford Dr, Norfolk, VA 23523 (See map and site plans) The site is an old industrial facility in a waterfront industrial area.
- f. The plant is currently located at 3021 Commerce Rd, Richmond, VA 23234.
- g. The plant was produced by Stephens Mfg. and consists of a Portable Truck-Mix Concrete Batch Plant with 2 cement silos, 1 cement supplement silo, cement weigh hopper and truck loadout. To control dust cartridge filters are used on the cement and cement supplement silos. Fabric filters are used on the weigh hopper. A dust shroud, chute, and fabric filters are used on the truck load out.
- h. Ready-Mix Concrete will be batched at the site. Approximately 66,000 yards of concrete will be batched annually.
- i. Process throughput at current site: 35,964 yards of concrete.

j. Process throughput for previous 12 months:
